Summary

About this Release

Provides EXPANDED confidentialised unit record data from the 2005 Survey of Education and Training for all persons in more detail. Data provided focuses on level and field of educational attainment; participation in education and training; work history, including occupation and industry; current study; completed qualifications; details of training courses completed; training outcomes; access to education and training and employer support; access to education and training; unmet demand, and home access to a computer and the Internet. The EXPANDED SET CURF is available via RADL only. The RADL is accessible for authorised users via the ABS web site and enables the ABS to make more detailed microdata available than on CD-ROM, while still maintaining the confidentiality of ABS data providers.

Level and field of educational attainment, current study etc will be based on the Australian Standard Classification of Education (ASCED) 1272.0.
